# INTELLIGENT LOCKERS FOR PERSONAL ITEM STORAGE

iLockerz

INTELLIGENT LOCKER SYSTEMS

iLockerz provides a central storage location for a range of personal items that need to be securely stowed away for short periods.

By installing iLockerz, students and staff can deposit and retrieve belongings at their convenience, allowing users to carry out their duties without unnecessary distraction or burden of hauling around items - with the knowledge that their valuables are safe.

WWW.ILOCKERZ.COM
